Sure, the Dow Jones Average has swung from below 6,500 to more than 10,000. It's true that most investors are clinging on for dear life. But using the authoritative, thoroughly researched information in this guide, you'll find the current chaos in the market can provide the best opportunity to reap high earnings.

Now in its fourteenth year, this classic book offers advice and methods for picking stocks that promise a better return than the market average. This new edition contains an updated introduction, new stock picks, and the most current information on investment.

Using value investing--the same investment strategy practiced by tycoons such as Warren Buffett--this book gives you solid and dependable advice you can take to the bank.
