**Controle do Processo Legislativo (Portuguese Edition)** Bruno de Almeida Oliveira

Esta obra analisa o controle preventivo de constitucionalidade como garantia do devido processo legislativo. Para tanto, o autor investiga os diversos aspectos da fundamentação do direito, o constitucionalismo e os modelos de controle de constitucionalidade, no intuito de apurar os seus trunfos e insuficiências.

Com o propósito de garantir a efetividade do princípio do devido processo legislativo e, assim, propiciar a formação democrática da legislação, são investigados os mecanismos de controle preventivo atuantes no direito comparado e no Brasil: as Comissões de Constituição e Justiça, o veto presidencial e o controle jurisdicional, propondo-se novas possibilidades interpretativas para tais institutos, intentando-se emprestar maior abertura democrática ao Direito Constitucional brasileiro.
