Marriage was the *last* thing on Meg Perry's mind when the child psychologist was hired on as nanny to Logan McKendrick's energetic three-year-old. So she was attracted to the devastatingly handsome single dad—what woman wouldn't be? Problem was, her new boss seemed to find her just as irresistible....

What *was* it about his effervescent employee that made Logan forget all his high-minded principles? The Northbridge native wasn't planning on tying the knot again any time soon...even if Meg was awakening the most delightful domestic fantasies. But maybe it was time to lead with his heart—and make sure he didn't let this tender, loving woman get away!
