The Man Who Killed His Brother (Mick Axbrewder)

Stephen R. Donaldson

The Man Who Killed His Brother (Mick Axbrewder) Stephen R. Donaldson

A wounded hero must confront his own worst enemy: himself

Mick "Brew" Axbrewder was once a great P.I. That was before he accidentally shot and killed a cop--worse, a cop who happened to be his own brother. Now he only works off and on, as muscle for his old partner, Ginny Fistoulari. It's a living. And it provides an occasional opportunity for him to dry out.

But their latest case demands more than muscle. Brew's dead brother's daughter has disappeared. His brother's widow wants him and Ginny to investigate. And both of them seem to expect him to sober up. Because the darkness they're finding under the surface of Sunbelt city Puerto del Sol goes beyond one missing teenager.

Axbrewder will need all his talents to confront that darkness. Most of all, he'll need to confront his own worst enemy--himself.

More than two decades ago, bestselling author Stephen R. Donaldson published three novels about Mick Axbrewder and Ginny Fistoulari as paperback originals under the pseudonym Reed Stephens. More recently, under his own name, Donaldson published a new novel in the sequence, *The Man Who Fought Alone*. Now, for Donaldson's millions of readers worldwide, the first of the original books, *The Man Who Killed His Brother*, appears under Donaldson's own name, in revised and expanded form.

From reader reviews:

Brian Bottoms:

In this 21st one hundred year, people become competitive in most way. By being competitive today, people have do something to make them survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated this for a while is reading. Sure, by reading a guide your ability to survive enhance then having chance to stand than other is high. For yourself who want to start reading some sort of book, we give you that The Man Who Killed His Brother (Mick Axbrewder) book as basic and daily reading book. Why, because this book is usually more than just a book.

Mary Todd:

Is it an individual who having spare time then spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This The Man Who Killed His Brother (Mick Axbrewder) can be the answer, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Luke Palmieri:

A lot of book has printed but it is unique. You can get it by web on social media. You can choose the top book for you, science, comedian, novel, or whatever through searching from it. It is referred to as of book The Man Who Killed His Brother (Mick Axbrewder). You can include your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most critical that, you must aware about publication. It can bring you from one location to other place.

Richard Valadez:

What is your hobby? Have you heard that question when you got college students? We believe that that problem was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person such as reading or as reading become their hobby. You have to know that reading is very important in addition to book as to be the point. Book is important thing to increase you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them is actually The Man Who Killed His Brother (Mick Axbrewder).
