**Felt the pull of God? Answered it? Freaked out about what to do next?**

As Brian Tome was talking to a new Christ-follower in his office, he realized that he had nothing on his bookshelf that would give her the "straight talk" on the radical new life she was about to begin. So he penned *Welcome to the Revolution* a bold, honest, humorous guide to joining the ever-advancing Kingdom of God. "The Revolution," as Tome calls the Christian life, is already underway, and while it is both exhilarating and fulfilling, it's challenging and confusing at times. This book will guide the reader from the basics (navigating through Christian kitsch at the bookstore) to the practical (Bible reading and building community) to the profound (concepts of forgiveness and using imagination in prayer). To those people who have previously dismissed the "Christian" life, or those who want to learn more about God in an accessible way, this book will be the breath that clears the air and shows them how to follow a Revolutionary God.
