### **Debussy - Children's Corner (Schirmer Performance Editions)**

(Schirmer Performance Editions). Claude Debussy dedicated "Children's Corner" to his daughter, Chou-Chou, when she was three years old. Some of the movements were inspired by her toys. The six lovely pieces expertly presented here by Christopher Harding are an excellent starting point for introducing late-intermediate to early-advanced piano students to impressionism. Includes a special appendix with suggested pedaling, plus a glossary of French terms.
