Holy Spirit Baptism: A Handbook Paul Hughes

Jesus told his disciples that He would send them "another Comforter" like himself, to remain with them forever and teach them all things. But before the Comforter could come, Jesus had to go away. Why? Because it was God's plan to make Christ the Giver of the Holy Spirit in order to indwell and empower His Church throughout the Church Age. The author draws from Scripture, personal experience, and insights from psychology and medical science to construct a cogent theory of how Spirit Baptism works, where the indwelling Spirit resides in the believer, and what the believer can expect, along with practical advice on how to receive the Baptism in the Holy Spirit and to manifest Gifts of the Spirit.
