Montezuma's Daughter (H. Rider Haggard Collection) H. Rider Haggard

Dodo Collections brings you another classic from H. Rider Haggard, 'Montezuma's Daughter.'

This remarkable novel by adventure writer H. Rider Haggard can be enjoyed on many levels. As a tale of adventure, it takes the reader through 16th-century England, Spain, and Mexico at the time of the Spanish Conquest. But on a deeper level, the author's hopes for humanity shine through the darkness of this time to illuminate the reader with his spiritual philosophy. The closing chapters on the fall of the Aztec capital of Tenochtitlan under the assault of Cortez are profoundly moving.

Montezuma's Daughter is a fascinating historical novel and love story, with enough action to keep even the most jaded reader on the edge of the chair. And those who value the deeper aspects of the author's writing will not be disappointed.

Sir Henry Rider Haggard was an English writer of adventure novels set in exotic locations, predominantly Africa, and the creator of the Lost World literary genre. His stories, situated at the lighter end of the scale of Victorian literature, continue to be popular and influential. He was also involved in agricultural reform and improvement in the British Empire.

His breakout novel was King Solomon's Mines (1885), which was to be the first in a series telling of the multitudinous adventures of its protagonist, Allan Quatermain.

Haggard was made a Knight Bachelor in 1912 and a Knight Commander of the Order of the British Empire in 1919. He stood unsuccessfully for Parliament as a Conservative candidate for the Eastern division of Norfolk in 1895. The locality of Rider, British Columbia, was named in his memory.
