## **The Other Side of the Desk: A 20/20 Look at the Principalship** Janet Tareilo

The Other Side of the Desk explores the world of the principal with stories that capture readers' attention and moves them through the daily life of a school leader. Humorous and heart-wrenching memories fill each page as the author retells the stories that challenged her and affected her daily life as the principal of an elementary campus. Tareilo's experiences as a principal ranged from dealing with difficult teachers and parents to stories that will touch the lives of any educator. She reveals the working world of the principal in a clear, and sometimes frank, language with the intent to bolster and support newly positioned principals and reignite the leadership fire for those with many years of experience. From beginning to end, The Other Side of the Desk invites readers into a leadership experience that will have them laughing, crying, and believing that they too can make a difference in the lives of children.
