## **The Rapture Exposed: The Message of Hope in the Book of Revelation** Barbara R. Rossing

The idea of “The Rapture”—the return of Christ to rescue and deliver Christians off the earth—is an extremely popular interpretation of the Bible’s Book of Revelation and a jumping-off point for the best-selling “Left Behind” series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In *The Rapture Exposed*, Barbara Rossing argues that this script for the world’s future is nothing more than a disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God’s healing love for the world. *The Rapture Exposed* reclaims Christianity from fundamentalists’ destructive reading of the biblical story and back into God’s beloved community.
