Allen Say

Under the Cherry Blossom Tree: An Old Japanese Tale Allen Say

There were eggs in every bird's nest, the air buzzed with honeybees, and cherry trees blossomed all at once. The poor villagers forgot their cares and gathered in the meadow to sing and dance their time away. But their miserly landlord refused to be happy. Mumbling and grumbling, he sat all alone eating a bowl of cherries and glaring at the merry villagers. Then, quite by accident, he swallowed a cherry pit. The pit began to sprout, and soon the landlord was the wonder of the village—a cherry tree was growing out of the top of his head! What happened to the cherry tree and to the wicked landlord is a favorite joke in Japan. Allen Say tells the story with wit and vitality, and his beautiful drawings complement this classic Japanese tale.
