Challis is a DJ. She contacts a young man after listening to his amazing demo tape, but on the day she plans to meet him, an elegant, confident man in an expensive suit—the boy's uncle, Richard—comes to meet her instead. Their family are the wealthy owners of a diamond mine, and believing Challis is after their fortune, Richard warns her to stay away from his nephew. Though his arrogant attitude infuriates her, for some reason Challis can't keep her eyes off him. He is attractive, but still, why is Challis so drawn to this haughty older man?
