## Alquien que cuide de mí (Spanish Edition) Judith McNaught

La exitosa actriz Leigh Kendall se dirige hacia el norte del estado de Nueva York al encuentro de su esposo, Logan, para inaugurar juntos su nueva casa. Mientras conduce en la noche invernal, una repentina tormenta de nieve le hace perder el control del coche. Cuando vuelve en sí está en el hospital local, gravemente herida; allí la policía le informa de que Logan ha desaparecido sin dejar rastro. Judith McNaught nos seduce con una novela de suspense electrizante, protagonizada por personajes inolvidables a merced del poder, la ambición y el deseo.
