Singles are getting conflicting messages from today's culture, both Christian and secular. Is it okay to want to be married? Is there anything a never-married woman can do, within a biblical framework, to "assist" the process? Candice Watters gives women permission to want Christian marriage, encourages them to believe it's possible, and supplies the tools to get there - despite our anti-marriage culture. This book blends the author's personal journey from singleness to marriage with the biblical perspective on marriage. As an editor for Focus on the Family's Boundless webzine, Candice Watters knows the target audience inside and out. Whether a woman has been told to "get married" or marriage is on her lifelong wish list, Get Married points her to the source!
