Hitler's Siegfried Line

Neil Short

Hitler's Siegfried Line Neil Short

The Siegfried Line was a mammoth wall of German defences that stretched from the Swiss border to Aachen, approximately 300 miles long and, in places, up to 20 miles deep. Built by Nazi Germany between 1936-38, over 500,000 workers were involved in its construction. This book gives a detailed historical background to the Siegfried Line.
