Gershom Gorenberg

## **The Unmaking of Israel** Gershom Gorenberg

Prominent Israeli journalist Gershom Gorenberg offers a penetrating and provocative look at how the balance of power in Israel has shifted toward extremism, threatening the prospects for peace and democracy as the Israeli-Palestinian conflict intensifies. Informing his examination using interviews in Israel and the West Bank and with access to previously classified Israeli documents, Gorenberg delivers an incisive discussion of the causes and trends of extremism in Israel's government and society. Michael Chabon, Pulitzer Prize-winning author of *The Amazing Adventures of Kavalier and Clay*, writes, "until I read *The Unmaking of Israel*, I didn't think it could be possible to feel more despairing, and then more terribly hopeful, about Israel, a place that I began at last, under the spell of Gershom Gorenberg's lucid and dispassionate yet intensely personal writing, to understand."
