Missionaries are taunted with it; investigators and recent converts are challenged with it; lifelong members are often puzzled with it-the charge that Mormons are not Christians. Unless we understand the basis for the charge, we are not prepared to deal with it. This book explains each of the arguments used against Latter-day Saints, and demonstrates beyond dispute $\frac{1}{2}$ using non-LDS authorities $\frac{1}{2}$ that these arguments are based on false premises. The definitive work on the subject, this book is a must for every LDS home.
