With grifters hanging from every branch of her family tree, Danni Ford was trying to do the impossible—play it straight. Until an undercover G-man played her with a few tricks of his own...

The tip-off should have been the way Eric's gaze met hers only when they talked dirty.

So Eric was using her to trap her shady relatives. He was still off-the-charts sexy—why shouldn't she get something pleasurable from this con...?

Danni's revenge is going to be very, very sweet...and it will start with tying up her FBI agent boyfriend con man to get to the truth. Before he discovers her secrets first!
