Kelly was different from the women Billy's dad usually brought home. She was a knockout, for starters. She was also young, casual and didn't mind flaunting her gorgeous body. She loved doing yoga in the mornings after staying the night, and always when Billy was eating breakfast. For a hot-blooded eighteen-year-old, just eating cornflakes became a very "stiff" challenge.

Kelly drove Billy wild, but it wasn't until after his father married her that she decided to give Billy personal yoga lessons. Getting up close and personal with this vivacious woman only stokes Billy's lust, and that's when he hatches a plan to claim her for himself. It won't be easy with his father just around every corner, but the young man's hormones are wild and Kelly is too steamy to ignore. She's teased him for so long, so now it's time for Billy to seduce his hot young stepmom.
