An insider's guide to investing in Europe

With the U.S. market in shambles, investors are looking for other places to put their money. Europe has become the destination of choice, and will continue to be for the foreseeable future.

Using the different perspectives of an author who lives in Europe and an author who lives in the United States, *Invest in Europe Now!* is one the most informative guides to making money outside North America. It outlines the best ways to take advantage of the rapidly shifting global financial environment and shows you what indicators to follow, what instruments and markets are best poised for growth, and how to avoid various pitfalls along the way.

- Outlines the safest ways to invest in Europe and secure the returns you desire
- Written by a unique author team, which represent both the U.S. and European perspective
- Discusses how some European markets and stocks are relatively more attractive than their American counterparts

Throughout this book, David Kotok and Vincenzo Sciarretta reveal the realities of investing in Europe and how you can benefit from doing so.
