The Life and Times of Captain N. Douglas Glover

Douglas Glover's acclaimed novel *The Life and Times of Captain N.* is now available in a GLE Library edition. Originally published by McClelland & Stewart, the novel was acclaimed by the most respected critics in Canada and the US, and compelled *The Toronto Star*'s Philip Marchand to call Glover "one of the most important Canadian writers of his generation." Set on the Niagara frontier in the final days of the American Revolution, *The Life and Times of Captain N.* sees the revolutionary new world order from the standpoint of the losers. Hendrick Nellis, a Tory guerrilla, has also been a redeemer of whites abducted by Indians. His son Oskar finds himself sometimes allied with the Indians, sometimes at war with them. Hendrick kidnaps Oskar for King George's army, and Oskar, haunted by dreams and by books, is the teller of the tale. The book he intends to write is sketched out in his letters to George Washington and in the signs tattooed on his skin as mementos of his personal Indian wars. *The Life and Times of Captain N.* trespasses into the no-man's-land where the delirium of combat drives races, genders, languages, and ideas into a primeval frenzy. Master of the psyche's primitive depths, Douglas Glover draws the reader into a violent and erotic emotional whirlpool. Some of the incidents in *The Life and Times of Captain N.* are based on the lives of the real Hendrick Nellis and his family, and, says Glover, "I have no doubt their descendants and relatives on both sides of the border will find much to complain of."

From reader reviews:

Terry Holmes:

This The Life and Times of Captain N. is great reserve for you because the content and that is full of information for you who also always deal with world and also have to make decision every minute. That book reveal it information accurately using great plan word or we can declare no rambling sentences within it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tricky core information with attractive delivering sentences. Having The Life and Times of Captain N. in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world within ten or fifteen small right but this reserve already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt that will?

Lavone Anderson:

As we know that book is important thing to add our knowledge for everything. By a book we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This guide The Life and Times of Captain N. was filled in relation to science. Spend your free time to add your knowledge about your technology competence. Some people has different feel when they reading any book. If you know how big benefit from a book, you can truly feel enjoy to read a reserve. In the modern era like today, many ways to get book you wanted.

Kerstin Torres:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Life and Times of Captain N. can make you feel more interested to read.

Beverly Woods:

Reserve is one of source of know-how. We can add our knowledge from it. Not only for students but in addition native or citizen need book to know the upgrade information of year to year. As we know those publications have many advantages. Beside we add our knowledge, also can bring us to around the world. By book The Life and Times of Captain N. we can consider more advantage. Don't that you be creative people? To become creative person must prefer to read a book. Simply choose the best book that acceptable with your aim. Don't become doubt to change your life at this time book The Life and Times of Captain N.. You can more attractive than now.
