“Are you going to be a good little girl, and do as you’re told to save your life, and the lives of your friends?” Cassie nodded quickly. She felt horrible that she had brought this man into their lives, if she could help it, she’d do anything she could to save their lives.

“Well, since you are the one who invited me in here, telling me that your friends wouldn't mind if I spent the night, I guess we’ll start with you!”

Cassie shook her head back and forth in protest, as Billy grabbed her by the panty hose she was tied up with, and yanked her up. He turned her around, and faced her so that she was facing Kristen and Ally. He pulled out his big hunting knife.

“When I ask you a question, just give me a nod of your head, yes or no. You are not a virgin are you?”

Cassie thought telling him yes, hoping maybe that would deter him from raping her.
