Carrion (Prologue Books) Gary Brandner

He brings the dead back to life.

He's America's newest hero. He possesses the most awesome gift any man can master. He can reach beyond the grave to awaken the dearly departed.

But their souls no longer inhabit their bodies. The things that now walk the earth - the things he has brought back - are carrion. Dead meat. Soulless, mindless creatures that only know he is responsible for their agony.

As their bodies decay into hideous travesties of the once living, they have only one mission.

To destroy their savior.
