Imagining Redemption David H. Kelsey

David Kelsey offers a groundbreaking discussion of Christian redemption by exploring the story of a series of horrendous events that befell a young boy and his family. Sam, eight years old, was stricken with a puzzling virus that left him physically and psychologically damaged. His family suffered greatly, as well. In the face of these events, Kelsey asks, what can it possibly mean to say that in Jesus Christ, God "redeems" such situations and events?
