Los comics perdidos: Man From Atlantis: (dossier sobre la colección de Marvel basada en la serie de TV) (Spanish Edition) Salvador Molina

Man from Atlantis fue una breve pero fulgurante serie de TV de los 70 precedida por 4 TV-movies y protagonizada por Patrick -Dallas- Duffy que se exportó a numerosos países y llegó a tener su propia serie de cómics en Marvel. Este dossier rescata dichos cómics (nunca publicados en España, aunque sí en otros países de habla hispana) aportando numerosa información sobre los mismos, así como sobre la serie de TV y el numeroso merchandising que generó (alguno solo llegó a proyectarse). Muy interesante.
