Mujeres y nacionalsindicalismo: la sección femenina en Tenerife (1935-1945) (Papeles de Daute) (Spanish Edition) Yanira Hermida Martín

Este libro forma parte de un trabajo de investigación más amplio que nace de la necesidad de iniciar el camino para cubrir un vacío en la historiografía reciente de nuestras islas. Esto es, el papel de las mujeres durante la Segunda República y la dictadura franquista, ya que los estudios feministas y de género sobre estos periodos son todavía escasos. A partir del golpe militar del 18 de julio de 1936 se constata en las Islas que el régimen dictatorial impuso unos nuevos roles sociales de acuerdo a los principios que defendía. En estos momentos se forjará el tipo femenino ideal que promoverá la dictadura; el de aquellas que ganan la contienda: las falangistas, las católicas y las conservadoras. En este sentido, este trabajo constituye una primera y novedosa aproximación a los orígenes y desarrollo de la organización fascista femenina en el Archipiélago.
