Neurotrauma: Evidence-Based Answers to Common Questions

Neurotrauma: Evidence-Based Answers to Common Questions

Combining new, evidence-based literature with the hands-on experience of leading specialists, this book provides the practical approach clinicians need, especially when dealing with an emergency situation. Each chapter examines a question frequently encountered during neurotrauma care, offering clear and succinct answers to core topics. Most importantly, internationally recognized experts explain why they agree or disagree with a specific study, adding unique insights into vital patient management issues.
