## A Witch's Skill Ashley Shayne

Cassandra is a witch—quite a good one in fact. But not many people know that about her and the ones who do aren't the type you'd want to meet in a dark alley. Cassandra can take care of herself but when she's tricked into working her magic on a captive vampire—a very hot captive vampire—things don't go quite as planned.

Acayo isn't about to allow his kidnappers to find out the secrets behind becoming a vampire, but he'll need help getting out of the dangerous situation he's found himself in. When a sexy witch comes to his rescue, he can think of only one suitable way to thank her for her assistance—by making love to her all night long!

Reader Advisory: This story has graphic sexual language and scenes—no closed bedroom doors (or other rooms) here!
