Sporty Creek James Still

With illustrations by Paul Brett Johnson

Sporty Creek is a series of short stories set in the Kentucky hills. Narrated by a young boy (a cousin of the narrator of Still's classic novel *River of Earth*), the book tells the story of his family during the Great Depression. With work in the coal mines sporadic, they move from place to place, trying to earn a living the best they can. The story is told with gentleness and humor.
