The Scalawag In Alabama Politics, 1865-1881 Sarah Woolfolk Wiggins

Who was this scalawag? Simply a native, white, Alabama Republican! Scorned by his fellow white Southerners, he suffered, in his desire for socioeconomic reform and political power, more than mere verbal abuse and social ostracism; he lived constantly under the threat of physical violence. When first published in 1977, Wiggins's treatment of the scalawag was the first book-length study of scalawags in any state, and it remains the most thorough treatment. According to *The Journal of American History*, this is the "most effective challenge to the scalawag stereotype yet to appear."
