Children of Destiny . . .

Throughout the time of Krynn, one race has remained strong in its pride and beliefs. The minotaurs envision themselves as the children of destiny, the future masters of the world. Despite adversity, defeat, and enslavement, that belief has never wavered.

If there is a foe capable of destroying the minotaurs, it is their own arrogance. Here is told the tale of clan against clan, and of how the exiled champion Kaz must discover the terrible secret of the empire before he and his entire race suffer the disastrous consequences.

Land of the Minotaurs

The Lost Histories Series probes the historical roots and epic struggles of the heretofore little-known peoples of Krynn. Author Richard A. Knaak explores the land and history of the horned race of minotaurs.
