Routledge Handbook of European Elections (Routledge Handbooks)

Routledge Handbook of European Elections (Routledge Handbooks)

The *Routledge Handbook of European Elections* explores the multifaceted dimension of the European Parliament's (EP) electoral contests across the European Community and European Union since 1979.

After setting a general empirical and theoretical framework, this collaborative project presents original contributions from leading experts from virtually all the corners of the European Union. Each case study adheres to a common template that makes it easy to compare data, methodology and outcomes.

Every country chapter includes:

- a brief geopolitical profile and historical background of the Member State;
- a glance at the national political landscape;
- a short account of the main political parties, including their attitude toward the European Union;
- a section on public opinion and European integration;
- a summary of electoral systems;
- an overview of all EP and national elections;
- an in-depth analysis of the 2009 EP electoral race;
- an overall theoretical interpretation of European elections.

A comparative chapter closes the Handbook followed by an Epilogue focussing on the 2014 EP contest with a detailed analysis of the newly elected European Assembly in terms of political group and gender composition.

The volume aims to enhance readers' understanding of the European Parliament and revive their interest in the European integration process. By providing a wide range of national and European facts and figures, this investigation represents a comprehensive reference guide to scholars, practitioners, and students of the European Parliament, European elections, political parties, European Union and comparative politics.

Michael Wheeler:

Within this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple method to have that. What you need to do is just spending your time little but quite enough to possess a look at some books. On the list of books in the top checklist in your reading list is definitely Routledge Handbook of European Elections (Routledge Handbooks). This book that is certainly qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.

David Baxter:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Routledge Handbook of European Elections (Routledge Handbooks) can make you sense more interested to read.
