## Waterwalking in Berkeley: Poems Alan Bern

With a minimalist, economical style, Alan Bern says much with few images and words. Many of the poems in this collection have a narrative quality, and the narrative quality carries over from poem to poem. The poet writes of big themes: the haunting past, poignancy of childhood memories, the aging process, community (especially the sub-culture of old-timers at the Y), approaching farewell to parents, and the treasure of relationships.
