Karol Wojtyla

Amor y responsabilidad (Biblioteca Palabra) (Spanish Edition) Karol Wojtyla

Un clásico sobre el amor humano entendido como plenitud de las relaciones interpersonales del hombre y la mujer. Una edición definitiva traducida directamente del polaco. Juan Pablo II fue un enamorado del amor humano. Amor y responsabilidad es el fruto de su reflexión a partir de su trato con los jóvenes "que me planteaban no tanto cuestiones sobre la existencia de Dios, como preguntas concretas sobre cómo vivir, sobre el modo de afrontar y resolver los problemas del amor y del matrimonio". Por eso, responde a cuestiones como: ¿Qué es el amor? ¿Qué relación hay entre afectividad y sexualidad? ¿La castidad es una virtud positiva o un comportamiento represivo? ¿Qué es el pudor? ¿Tienen sentido las relaciones sexuales antes del matrimonio? Al mismo tiempo es un libro de gran originalidad y profundidad filosófica. Karol Wojtyla establece un nuevo paradigma para entender la sexualidad: integrarla en el marco de las relaciones interpersonales del hombre y de la mujer, regidas por la norma personalista, que establece que la única actitud adecuada ante la persona es el amor. La unión de un brillante planteamiento con una ejecución sólida ha convertido a esta obra en un clásico de la reflexión antropológica sobre el amor, imprescindible para quien desee entender los porqués de esa realidad tan exaltadora y existencial. La edición definitiva en español traducida directamente del polaco.
