Cidade Sintética (Portuguese Edition) Julie Farrell

Descrição:

Inspirada por grandes obras de ficção científica – como *1984*, de George Orwell – essa agitada aventura romântica é a escolha perfeita para uma breve leitura no seu Kindle ou clube de leitura.

Cidade Sintética é uma novela distópica que segue a luta de Ruby para libertar sua mente na Cidade da Redoma; onde tédio é crime, e amor e sexo estão banidos.

A salvo do mundo exterior pós-apocalíptico, a vida dentro da Cidade da Redoma gira em torno da histeria coletiva pelas celebridades, confissões públicas na televisão e prazeres a curto prazo. Tudo que acontece fica gravado – a vida é uma espécie de junção entre filme e vídeo game. Mas depois que Ruby, por acidente, para de tomar seus sedativos para dormir, ela se vê imersa em um formigueiro de insatisfação e percebe que a vida é muito mais do que o governo da Aliança impõe.

Quando o galã Harry Heaven bate à sua porta durante a noite, Ruby descobre um mundo secreto além da Redoma, assim como verdades valiosas dentro de si mesma. Com Harry a seu lado, Ruby encontra o amor, um propósito de vida, e como manter a mente sã – presentes garantidos a todos nós.

Cidade Sintética debruça-se sobre temas distópicos de como ser feliz, combinando-os com as experiências de filosofia e meditação budistas da própria autora, dando forma a um enredo encorpado, personagens profundos e dicas de como todos nós podemos ser livres.

Você nunca mais verá um descascador de batatas da mesma forma!

This book exist new understanding the information that exist in this book represented the condition of the world today. That is important to yo7u to learn how the improvement of the world. That book will bring you inside new era of the the positive effect. You can read the e-book in your smart phone, so you can read that anywhere you want.

Jennifer Klein:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Cidade Sintética (Portuguese Edition) can make you sense more interested to read.
