## **Columbia University in Pictures** Lenny Pridatko

Columbia University's first-ever architectural photography book, *Columbia University in Pictures*, is a collection of 150 stunning photographs showcasing Columbia University's campuses and the Morningside Heights community. Covering all seasons and times of day, this wide-ranging collection offers a refreshingly new perspective of New York's oldest University. Vivid photos capture the campuses' elaborate architectural details and the text elucidates lesser-known facts about Columbia; (the main campus was a former insane asylum). Columbia University is one of New York City's architectural jewels - on par with more familiar tourist attractions such as the Brooklyn Bridge and Statue of Liberty - and the images in *Columbia University in Pictures* make this self-evident. (Please Note: Watermark visible in all images on Amazon.com is NOT printed in the book.)

*Columbia University in Pictures* has received ForeWord Reviews Bronze Book of the Year Award in Architecture and named a Photography Book Finalist. The title has also received the Printing Industries of America *Certificate of Merit* for achieving an extremely high level of quality in printing and design and was named Coffee Table Book of the Year by the Beverly Hills Book Awards.
