**Constructing a Security Community in Southeast Asia: ASEAN and the Problem of Regional Order (Politics in Asia)** Amitav Acharya

This second edition of *Constructing a Security Community in Southeast Asia* takes the excellent framework from Acharya's first edition and brings it up-to-date, looking at ASEAN's comprehensive and critical account of the evolution of the Association of Southeast Asian Nations (ASEAN) norms and the viability of the ASEAN way of conflict management.

Key issues in determining the future stability of the Southeast Asian and Asia Pacific region are covered, including:

- intra-regional relations and the effect of membership expansion
- the ASEAN Regional Forum and East Asian regionalism
- ASEAN's response to terrorism and other transnational challenges
- debates over ASEAN's non-interference doctrine
- the 'ASEAN Security Community' and the ASEAN Charter
- the impact of the rise of China and India and ASEAN's relations with the US and Japan.

The new edition will continue to appeal to students and scholars of Asian security, international relations theory and Southeast Asian studies as well as policymakers and the media.
