## **Higher Education In Sport In Europe** Karen Petry, Karsten FroBerg

Higher education in sport has become a hot issue in Europe over the last ten years - not only is it now seen by many educators as an integral part of higher education, but sport itself has become extremely important in the European political arena. *Higher Education in Sport in Europe* examines both aspects of sport in education against the backdrop of the European Education Reform Process, with a focus on the Thematic Network Project: Aligning a European Higher Education Structure in Sport Science - a four year project that developed guidelines for future curricula in Sport Coaching, Health and Fitness, Sport Management, and Physical Education in order to ensure pan-European academic quality in sports education.
