## **Histoire du Maroc depuis l'indépendance** Pierre Vermeren

Le 2 mars 1956, le Maroc recouvre son indépendance, après quarante-quatre années de protectorat. De 1956 à 1961, Mohammed V restaure la puissance de son trône, rendant possible le règne de son fils Hassan II (1961-1999), qui consolide l'intégrité territoriale du pays. En 1965, Ben Barka paye de sa vie son opposition au régime, mais l'instabilité persiste et culmine lors des coups d'État de 1971 et 1972. Hassan II reconstruit alors un pouvoir ébranlé par le consensus autour de la récupération du Sahara, mais au prix des " années de plomb ". Après 1991, le Maroc s'engage dans un processus d'ouverture à petit pas qui conduit à l'alternance de 1998. L'avènement de Mohammed VI en 1999 précipite une transition aux exigences contradictoires : dissocier monarchie et " années de plomb ", incorporer les islamistes au champ politique sans partage du pouvoir, améliorer la gouvernance tout en contenant la menace terroriste, restaurer la confiance des Marocains face à un paysage politique en miettes, capter les investissements sans aggraver la dépendance du pays... Un chantier toujours en cours en 2010.
