Merlin and Legendary Romance: Volume 5 (Routledge Library Editions: Arthurian Literature) Carol Harding

An indepth work on the origins of the Merlin of Arthurian legend, this book examines early texts, thirteenth century romances focusing particularly on Merlin as a character, rather than those where Merlin is a background cast member. The outline here starts with looking at the genre and the place of fantasy, moving on to consider the attitudes towards magic and magic-users in medieval times. Main works considered are Geoffrey of Monmouth's *Historia Regum Britanniae* and *Vita Merlini*; the Vulgate cycle, *Suite du Merlin*; and finally Malory's work. The author asserts that each portrays a different approach to Merlin but all are tied to history and to the Christian religion.
