Once upon a time, a writer woke up in the middle of her own book...

Hades' Carnival, Book 3

Araminta Davidson has arrived. After giving up her librarian job to be a full-time writer, all those lonely nights alone with her cat and her keyboard have paid off. She's been invited to participate in one of the biggest reader appreciation weekends—as a professional author.

She can't imagine her life getting any more exciting than that...until she accidentally releases a sexy, shapeshifting, immortal warrior from a five-thousand-year-old curse.

Finally free of his carousel prison, lion shifter Leander is determined not to let Hades lure him to the dark side in a quest for world domination. Nor will he give the delectable Araminta up to the clutches of the dark one. If they can survive twenty-four hours—and somehow resist losing themselves completely in the sexual haze threatening to swallow them up—the curse will be permanently broken.

But the clock is ticking, the heat is rising...and only the ultimate sacrifice will save them both.

Warning: This book contains one shy writer who's learning how to cut loose, and a warrior who's been cut loose and he's ready to roar. Stir in enough hot sex to make Hell itself seem like the Arctic, and you have a recipe for one wild ride.
