## **S.O.S Educación. Raíces y soluciones a la crisis educativa (Spanish Edition)** Carlos Jariod

Estamos ante un libro importante, lúcido y valiente, de gran alcance, que abre perspectivas de futuro y de esperanza a una sociedad que anda tan necesitada de esperanza y de futuro. Un libro que entra en una de las cuestiones más candentes y vitales del hombre: el de la educación, sencillamente el del hombre mismo, la verdad del hombre, sin el que no hay futuro ni se abren caminos esperanzadores para alcanzarlo. El libro trata sobre la emergencia educativa, una expresión muy afortunada del Papa Benedicto XVI, tan clarividente, sabio, y de amplios horizontes. El autor del libro, mi querido y admirado amigo y maestro, Carlos Jariod, toca un tema espinoso y lo toca con verdad y libertad, con una gran pasión por la educación porque sabe que ahí se juega en gran medida la suerte del hombre y de la sociedad.
