**The Lost Continent (Illustrated)** Edgar Rice Burroughs

Originally published as *Beyond Thirty*.

*Beyond Thirty* is a short science fiction novel by Edgar Rice Burroughs. It was written in 1915 and first published in *All Around Magazine* in February 1916, but did not appear in book form in Burroughs' lifetime. The first book edition was issued by Lloyd Arthur Eshbach's *Fantasy Press* fanzine in 1955; it then appeared in the collection *Beyond Thirty and The Man-Eater*, published by Science-Fiction & Fantasy Publications in 1957. The work was retitled *The Lost Continent* for the first mass-market paperback edition, published by Ace Books in October 1963; all subsequent editions bore the new title until the Bison Books edition of March 2001, which restored the original title.
