## **Woyzeck (German Edition) Georg Büchner**

Franz Woyzeck, a lowly soldier stationed in a provincial German town, is living with Marie, the mother of his child which is not blessed by the church as it was born out of wedlock. Woyzeck earns extra money for his family by performing menial jobs for the Captain and agreeing to take part in medical experiments conducted by the Doctor. At one of these experiments, the Doctor tells Woyzeck that he must eat nothing but peas. It is obvious that Woyzeck's mental health is breaking down and he begins to experience a series of apocalyptic visions. Meanwhile, Marie grows tired of Woyzeck and turns her attentions to a handsome drum major who, in an ambiguous scene taking place in Marie's bedroom, sleeps with her.

With his jealous suspicions growing, Woyzeck confronts the drum major, who beats him up and humiliates him. Finally, Woyzeck stabs Marie to death by a pond. While a third act trial is claimed by some to have been part of the original conception, the fragment, as left by Büchner, ends with Woyzeck disposing of the knife in the pond and most renditions extrapolate this with him drowning while trying to clean himself of the blood after having dumped the knife in deep waters.
